

# Terrariums

## Materials

- Container
- Gravel or small stones
- Charcoal
- Potting soil
- Plant material

## Types of Containers

- Bottles
- Bowls/dishes
- Candy/apothecary jars
- Fishtanks/bowls

## Tips

Its best to choose clear glass, not tinted, so the light can shine through.  
Lids are optional, but without a lid the terrarium will need more care

## Suggested Plants

- Baby tears
- Ferns
- Creeping fig
- Ivy
- Mini african violets
- Peperomia
- Rex Begonias
- Mini Orchids
- Mini tropicals
- Succulents
